### KEY STATEMENTS FOR THE 2021 THANKSGIVING DAY CONFERENCE

To live in the Divine Trinity is to abide in Him, to remain in Him, to dwell in Him as our home; to

live with the Divine Trinity is for Him to abide in us so that we may have His presence, His person, with us for our enjoyment.

To live with the Divine Trinity is to have the resurrected Christ living in us; resurrection means that everything is of God and not of us, that God alone is able and we are not able, and that everything is done by God, not by ourselves.

We can live with the Divine Trinity by the bountiful supply of the Spirit of Jesus Christ—the Spirit of the suffering Jesus and the resurrected Christ—which enables us to live Christ and magnify Christ in all circumstances.

The experience and enjoyment of the Divine Trinity in full—participating in the love of God, the grace of the Lord Jesus Christ, and the fellowship of the Holy Spirit—is consummated by the One who is, who was, and who is coming, by the seven Spirits, and by Jesus Christ, the faithful Witness, the Firstborn of the dead, and the Ruler of the kings of the earth.

## MORNING WATCH

**HWMR: 2021 Spring International Training for Elders and Responsible Ones**

## General Subject: Vital Factors for the Recovery of the Church Life

*Week 1: The Factor of Cooperating with the Lord to Bring In a New Revival That Will End This Age*

### Portion from Days 3 & 6:

Today what we have seen of the Lord...is in God's central lane, the economy of God, with Christ as its centrality and universality, with Christ as its center, reality, and everything. This Christ is now the life-giving Spirit indwelling our regenerated spirit to be one with our spirit (1 Cor. 15:45b; 6:17).

For such a revelation, which is so high, deep, and profound, the Lord needs a model. He needs a corporate people to be raised up by His grace through this high peak of the divine revelation to live a life according to this revelation....Where is the model of living a crucified life that we may live Christ?...Where is the model of living Christ and magnifying Christ by the bountiful supply of the Spirit of Jesus Christ? Where is this life? We have these revelations released as messages printed in books, "but where is the model?"

The church is a loving home to raise up the children. The church is also a hospital to heal and to recover the sick ones. Finally, the church is a school to teach and edify the unlearned ones who do not have much understanding. Because the church is a home, a hospital, and a school, the co-workers and elders should be one with the Lord to raise up, to heal, to recover, and to teach others in love.

Love covers and builds up, so love is the most excellent way for us to be anything and to do anything for the building up of the Body of Christ.

I hope that there will be a genuine revival among us by our receiving this burden of shepherding. If all the churches receive this teaching to participate in Christ's wonderful shepherding, there will be a big revival in the recovery. In the past we did much speaking and teaching with very little shepherding. Shepherding and teaching should be like two feet for our move with the Lord. Our shepherding should always be with teaching, and our teaching should always be with shepherding. (CWWL, 1994-1997, vol. 5, "The Vital Groups," pp. 126-127, 92)

**Corporate Reading:** "The History of God in His Union with Man" Ch. 13: Working on His elect through Moses (3) Training Them to Worship and Partake of God and to Live a Holy, Clean, and Rejoicing Life.
