

### **Message Four—Study Questions**

1. What is the principle concerning the mysteries mentioned in the Bible? Use some verses to show this point.
2. What does it mean that Christ is the Word of God? Use some verses from the Gospels to show this point.
3. What does the word *fullness* refer to in Colossians 2:9, and how is this matter subjective in our experience?
4. What does the phrase *God's history* refer to, and how does this relate to our subjective experience and enjoyment?
5. "All that He has passed through is now our history, and all that He has obtained and attained is our inheritance." How is this possible? Share a testimony of your experience of this.
