## MORNING WATCH

**HWMR: 2025 December Semiannual Training - Experiencing, Enjoying, and Expressing Christ (4)**

**WEEK 6: Christ, the Eternal King, Coming to Possess the Earth and the Finishing of the Mystery of God**

**Portion from Days 2 & 4:**

According to the New Testament, God's salvation is a matter of His love (John 3:16), His grace (Eph. 2:8), and His righteousness (Rom. 1:17).

God's love and grace may change, but God's righteousness cannot change, because His righteousness is related to His government (Psa. 89:14)...God's lovingkindness and compassions can change, but God's person and His government remain unchanging forever.

Jeremiah ended Lamentations not with God's lovingkindness, compassions, and faithfulness but with God's eternal being and His throne. This is a strong sign that in writing Lamentations Jeremiah touched God's economy...There, in 5:19, he touched God's person and God's throne.

In the New Jerusalem, God will be fully unveiled in His person and in His government, both of which are the unshakable foundation of His dealing with us. At that time, we will see God Himself as the eternal King with His eternal, unshakable kingdom (Heb. 12:28). (Life-study of Lamentations, 2nd ed., pp. 14-15)

Christ's placing His feet on the sea and on the land [in 10:2] is His treading on them, and to tread on them is to take possession of them (Deut. 11:24; Josh. 1:3; Psa. 8:6-8). This indicates that Christ is coming down to take possession of the earth. Only He is worthy to open the scroll of God's economy, and only He is qualified to possess the earth. In Joshua, God told the people that they would possess whatever part of the land the sole of their foot would tread upon. They were to walk through the good land, and wherever they set their feet, that would be their possession. Based upon the same principle, Christ, as another Angel sent by God, will come to tread upon the sea and the earth, for the earth and the sea have both been given to Him as His inheritance (Psa. 2:8). Although the earth and sea have been usurped by His enemy, and although He has been tolerating this for centuries, one day He will tolerate it no longer. He will come to claim His rightful inheritance.
