PRAYER BURDENS

- Increase and spread (John 15:1-11, 16)--Let us pray for the preaching of the gospel and the spread of the truth in NYC and in the Tri-State area; let us pray specifically for the gospel outreach and Bible distribution going on this afternoon and evening near Hall 2 in Midtown Manhattan
- The citywide church gathering today (Lord's Day, June 21)--Let us pray for every aspect of this gathering, including the attendance of the saints, the Lord's speaking to the church that day, and all the related practical services
- The children, the young people, and the college age saints:
 - a. The Family Bible Camp, the Summer School of Truth, and the College Training
 - b. Let us pray that in addition to their involvement in these events, the Lord would bless the children, the young people, and the college age saints this summer with opportunities to foster companionships in the church life and to be more involved in the church life
- The Lord's move in Europe:

- a. The strengthening of the churches which have been newly established over the past several months: in Nanterre, Toulouse, and Lille (all in France) and in Prato (Italy)
- b. The follow-up of all the seeking ones who were contacted during the gospel trips in Italy which took place earlier this year
- c. That the Lord would provide the funds for a meeting hall in Dublin, Ireland (a suitable property was recently identified there) and for the construction of the meeting and training facility in London, UK
- Prayer for the world situation and God's move-- That the Lord would exercise His sovereignty over the world situation for the advancement of His move and to prepare the stage for His second coming; and prayer for the preservation of the United States so that the gospel would continue to be preached and that the Lord's testimony would be strengthened and advance in every locality where it is established and spread to other areas of the country (1 Tim. 2:1-4)
- The upcoming semiannual training being held in Anaheim (June 29 to July 4) and all the local video trainings
- The various needs of the saints both locally and in other localities (e.g. physical and emotional, health-related, job-related, family-related, etc.)
