MORNING WATCH

HWMR: A Timely Word Concerning the World Situation and the Lord's Recovery

Week 2: Seeing a Vision of the Throne of God, the Spiritual Scene behind the World Situation, and Christ as the Center of God's Administration

Portion from Day 1:

The throne of God in Revelation is the center of God's administration... Whatever Satan does in the air and whatever man does on earth is under God's throne in heaven. Today, man may do anything he likes, but the throne of God in heaven is still the authority over all men and all things. No one can do anything, and nothing can happen outside of the rule of God's throne. Apparently, this throne is invisible and is not realized by man, but actually it is behind the scene ruling over everyone and everything. In God's time and for the fulfillment of God's purpose, the appropriate judgment always comes out of this throne to mankind and upon the things transpiring on earth. In the book of Revelation, the consummate issue comes from the completion of the execution of God's judgment. This judgment proceeds from the throne and clears up the confusion both in heaven and on earth caused by Satan's rebellion and man's fall. (*Life-study of Revelation, pp. 213-214*)
