MORNING WATCH

HWMR: A Timely Word Concerning the World Situation and the Lord's Recovery

Week 3: *The Universal History according to God's Economy — the Divine History within the Human History*

Portion from Day 4:

The history of God's people on earth is actually the history of the working God energizing among His chosen people in the Old Testament and even the history of the operating God energizing in His redeemed people and having them energize themselves together with Him for the accomplishment of His eternal economy concerning Christ and His increase, which will consummate in the New Jerusalem.

I hope that...we all will see and realize that our living, our daily walk, our schooling, our job, and our business must be a part of God's history in His marvelous and excellent move on the earth today. To be a normal Christian, to be today's overcomers, to answer the Lord's present calling, and to meet the Lord's present need in His recovery, it is altogether not sufficient simply to be a so-called good brother or good sister, attending the church meetings regularly, behaving rightly, and living a life which is

somewhat perfect in the eyes of men. We need to be one with God in His history, moving and energizing in His loving overcomers; that is, we need to be one with God in life, in living, and in our entire doing today on this earth! We need to write God's today's history! We need to march on as one with the energizing God! In Him! With Him! By Him! And for Him! We need to be vital, living, and active! We need to be today's Joshuas and Calebs to take possession of the God-promised land for Christ that we may become His possession. We need to be today's Ruths to turn to God's economy, to enter into the land of Immanuel, and to marry ourselves to Christ that we may bring forth Christ to meet the need of men today. (*Life-study of Joshua*, pp. 2-3)

A Ministry Portion from "The Overcoming Life"

GROWTH THROUGH SEEING THE TRUTH AND RECEIVING GRACE

Brothers and sisters, we can discover new sins every day, and we can find new failures every day. Yet at the same time, there is the fresh supply of grace. "For of His fullness we have all received, and grace upon grace" (John 1:16). We have received it once, and we are receiving it again and again. ...Once we see a sin, we have to confess it before the Lord and also acknowledge that the Lord is living within us. This is the meaning of growth.

Our victory in Christ is absolute in nature; there is no room for improvement. However, the sphere of our overcoming is ever expanding. Each person receives a different degree of light from the Lord. The more light that a man receives, the more he advances, and the less light that a man receives, the less he advances. ... Brothers and sisters, we have to know the relationship that truth and grace have with us. ... Every day we have to pray to God to give us light and grace. We may fail accidentally, but we can be recovered within a second. If we do this day by day, our growth will be beyond anyone's expectation because it will be the work of Christ alone.
