## Key Statements for the 2020 Thanksgiving Conference

The Christ who replaces our culture with Himself for the one new man is the all-inclusive, extensive Christ, the preeminent One, the centrality and universality of God's economy.

When we have the vision of the all-inclusive, extensive Christ, experience Him as our life and the constituent of our entire being, and live Him instead of our culture, the one new man will appear among us in a practical way, and we will realize the life of the new man.

We need to be renewed day by day with the fresh supply of the resurrection life to replace our culture and to become the one new man in reality by becoming as new as the New Jerusalem.

We need to live the life of the one new man instead of our culture by learning Christ as the reality is in Jesus; the way the Lord Jesus lived on earth is the way the one new man should live today.

- **2020 December Semiannual Training, Dec. 25 - Jan. 7**

It is time to register for the December Semiannual Training. Each year in July and December the churches gather for a training on a "crystallization-study" of a book in the Bible. These are concentrated days to spend time in the Lord's Word, receiving the ministry and fellowshiping with the saints. This year, all of the training meetings will be conducted online as a video training. The church in NYC will host Zoom meetings for viewing the messages, for studying and testing, and for prophesying.

**If you wish to participate, you must register by the deadline of December 7, 2020.** The requested training donation is \$125.00 USD. After registration, you will be provided with Zoom information and further instructions. Please register using this online form: Church in NYC semiannual training registration <https://tinyurl.com/2020DecemberTraining>

The burden for holding these office hours is that the hearts of the saints can be comforted and that their souls would be restored.

## **PRAYER BURDENS**

- The health of all the saints
- The strengthening of the families and all the households in the church life:
  - a. The peace and harmony in every home
  - b. The arrangements in the families who have children engaged in remote (at home) learning
- The advance of the Lord's move in the United States and that the Lord would preserve this country for His ultimate move at the end of this age

## **MORNING WATCH**

### **HWMR: Crystallization-Study of Jeremiah and Lamentations**

*Week 9: God's Judgment upon Egypt and Babylon*

#### **Portion from Day 3:**

The earthly things which are necessary for human existence have been corrupted by Satan with his systematic scheme.

All of our human capacity is preoccupied with and occupied by the things of the world, so no capacity remains in us for God...We all need to have a clear vision of the world. To us the things which we need for our existence may simply be earthly things, or they may become a world, a system of Satan. When you are preoccupied with eating, eating becomes an item of the world to you. When you are preoccupied with marriage, marriage becomes an item of the world to you. When you become preoccupied with clothing, housing, and transportation, these also become items of the world to you.

You will continue to need food, marriage, clothing, housing, and transportation, but none of these things will occupy or preoccupy you. If we see the vision of the world, we will realize that we should not love anything worldly. We should not love any occupying or preoccupying thing. Rather, we should give our love fully, wholly, and absolutely to the Lord. All our capacity is for Him. All the ground, all the room, in us is for Him.

**Corporate Readings:** *"The God of Abraham, Isaac and Jacob" Ch. 11: The Maturity of Jacob*
