## **Crystallization - Study of Job, Proverbs, and Ecclesiastes**

*Week 10: Living a Godly Life*

### **Portion from Day 5:**

To be a living believer involves both our spirit and our heart. Doctrinally, we may say that we can become living by exercising our spirit. But in practice often it seems that the exercise of our spirit does not work.... The reason the exercise of the spirit may not work is that the heart does not act. This means that there is something wrong in the heart. Perhaps the mind is not renewed, sanctified, transformed; it may not be saturated with the Lord and occupied by Him. Instead, it may be filled with worldly things. We may exercise our spirit and say, "Praise the Lord!" However, this exercise may not work to make us living. The exercise of the spirit works only when our heart is active.

If our heart is dormant or asleep, exercising our spirit to call on the name of the Lord will not be effective. This exercise cannot work if our acting agent, our heart, is dormant. This is the reason we need to deal thoroughly with our heart. This dealing must include our mind, emotion, and will. Our mind must be the mind of Christ, our emotion must be saturated with the love of Christ, and our will must be one with His will. If this is the condition of our heart, our heart will be active and functioning. Then if we call on the Lord when our heart is active, this calling will be very effective.

We need to pray, "Lord, have mercy on me. I want to have my mind renewed. I want to have my emotion filled with Your love. I want to have a will that is truly one with Your will." If we have such a heart, then the heart as our acting agent will be established blameless in holiness, blameless in the state of being made holy. ## **MINISTRY PORTIONS**

### **THE SPIRIT'S APPLICATION**

We have covered the first two items of the basic revelation in the Holy Scriptures—God's plan and Christ's redemption. In this chapter we come to the third item—the Spirit's application. This is the most mysterious item in the divine revelation.

Printing may be used as an illustration of the application of the Spirit. In printing there is first the draft, the manuscript. This manuscript is then typeset onto a page, which is then made into a negative. Then the printing press, using the negative, produces however many copies are wanted. This last stage, producing the copies, illustrates the Spirit's application.

Christ did a great work of "typesetting" what God purposed in His plan. ... The Father planned, the Son accomplished, and the Spirit comes to apply what Christ accomplished according to the Father's plan.

#### **THE SPIRIT THROUGHOUT THE WORD**

To understand the Spirit's work in applying Christ's accomplishments, let us consider how the Spirit is gradually revealed throughout the Scriptures.

##### **The Spirit of God**

The first time the Spirit of God is mentioned is in Genesis 1:2. This is God the Spirit in His creation. The Spirit of God brooded over the death waters for God's creation.

##### **The Spirit of Jehovah**

After creating man, God remained intimately involved with him. In His relationship with man God's title is Jehovah. This is why in the Old Testament the Spirit of God is usually called the Spirit of Jehovah. The Spirit of Jehovah came upon certain people. This indicates that the Spirit of Jehovah has to do with God's reaching of man (Judg. 3:10; Ezek. 11:5).

##### **The Holy Spirit**

At the incarnation the Spirit of God was called the Holy Spirit (Matt. 1:18, 20; Luke 1:35). ... It was when the time came to prepare the way for Christ's coming and to prepare a human body for Him to initiate the New Testament dispensation that the term the Holy Spirit came into use (Luke 1:15, 35).
