MORNING WATCH

HWMR: 2021 The International Chinese-speaking Conference

General Subject: The Intrinsic and Organic Building Up of the Church as the Body of Christ

Week 5: The Intrinsic Factor of the Winds of Teaching for Their Evil Purpose

Portion from Days 2 & 5:

The healthy teaching is always according to the truth (Titus 1:14) of the faith (1:13). It is the content of the apostles' teaching, the content of God's New Testament economy. It not only ministers the life supply to the believers and heals the spiritual

diseases but in so doing also brings the church into a sound condition with a good order.

We...should be reminded to speak the things which are fitting to healthy teaching. The word healthy points to that which is hygienic and which can both inoculate others against spiritual poison and also supply them with life. Our teachings should not merely pass on knowledge to others, but should supply them with life. Often when I have been tempted to speak about a certain subject, I was stopped. I had the sense that there was not much of the hygienic element in what I planned to say. We need to remind ourselves and be reminded by the Spirit to give forth healthy teaching.

There is a good test for discerning the winds of teaching. Certain teachings cause us to be cold and even deadened. After listening to such a teaching, we are deadened within. A certain teaching may also take away our morale for following the Lord, caring for His interest, and loving the church and the Lord's recovery. If any teaching, regardless of how good or scriptural it may appear to be, has any of these negative effects, this is strong evidence that this teaching is a wind that will blow us away from the central lane of God's New Testament economy.

The apostles' teaching, the New Testament teaching, is very crucial. Whenever we hear something differing from the apostles' teaching, we should not be bothered or affected. We should simply come back to the apostles' teaching. However, if we are not able to properly discern a teaching, we should fellowship with certain saints to receive some help. In God's New Testament economy there is only one kind of teaching revealed and recognized by God—the teaching of the apostles. We need to continue steadfastly in this teaching (Acts 2:42).
