

### **Message Five—Study Questions**

1. What was the cause of Solomon's failure that resulted in his miserable end and the damage of his kingdom? How should we view such failure under the light of spiritual life?
2. In the case of Solomon, what can we see as a comparison between natural ability and resurrected ability? List eight specific differences between these two kinds of abilities.
3. What can we learn from the kings of Israel and Judah in their careless enjoyment of the good land? How can we apply their example to ourselves?
